

# Neil Dino

Denver, CO

*Web Developer*

A passionate full-stack web developer striving to create unique, fluid, and complex web solutions that alleviate modern problems and genuinely cultivate a positive impact. With a solid foundation in sales and marketing gained through work experience and earning an Associates in Business, combined with technical skills in JavaScript, CSS, NodeJS, React, Express, and MongoDB acquired through earning a Full-Stack Coding Certificate at UC Berkeley, I am a valuable asset to any team.
